IN RE:	Application of Time Warner Cable)	ORDER
	Information Services (South Carolina), LLC)	ON NAME

	Voice Services and for Alternative Regulation)	
	pursuant to S.C. Code Section 58-9-575 and)	
	58-9-585.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Time Warner Cable Information Services (South Carolina), LLC (the Company) to amend its Certificate of Public Convenience and Necessity to show the Company doing business as Time Warner Cable. The Company points out that it included information in its original application in this Docket that it intended to use the “d/b/a” of Time Warner Cable of South Carolina. The Company further stated that the top of each page of the proposed tariff is entitled “Time Warner Cable Information Services (South Carolina), LLC, d/b/a/ Time Warner Cable of South Carolina.” Further, the Company points out that the prefiled testimony of Company witness Julie Patterson explicitly stated that “TWCIS will market its IP voice services, which will be branded as “Time Warner Cable Digital Phone...” See TR. at page 6, line 23-24. We agree, and approve the request for use of the “d/b/a” name Time Warner Cable to be used.

Accordingly, we deny the request of the South Carolina Telephone Coalition (SCTC) to inquire as to the reasons this issue was not included in the original Company application.

This Order shall remain in full force and effect until further Order of the Commission.
